

T. K. M. COLLEGE OF ARTS AND SCIENCE, KOLLAM

Internal Quality Assurance Cell

Action Taken Report for the Academic Year 2016-17

The Internal Quality Assurance Cell (IQAC) of the T. K. M. College of Arts and Science collected feedback on the syllabus and the overall performance of the college from students, teachers, alumni and employers for the academic year 2016-17. Major suggestions given by the stakeholders were categorized and compiled together for further analysis, and measures were taken to bring in quality changes. Based on the suggestions provided by the alumni and students, the college initiated steps to upgrade the classrooms. Suggestions given by teachers and alumni regarding the conduct of research oriented programmes to ensure academic exposure get addressed. As a result, proposals for conducting national and international seminars were sent to funding agencies for approval. Such academic colloquiums are expected to acquaint students with emerging areas of research and encourage them in participatory learning.

Another suggestion by the alumni was regarding the transparency of the attendance system. Thus an online attendance portal (Look Campus) has been activated for this purpose, and measures are being taken to develop the portal to include online submission of student assignments as well. Steps have also been taken to identify slow learners and to get them enrolled in remedial coaching sessions. Teachers suggested that social media and online platforms can also be utilized in the teaching-learning process, and hence measures are being taken for the same.
